Thanks Lisa. We are meeting with the State tomorrow and I expect we'll have a chance to discuss workshops.

RE: GAO
Follow-up
Call

Thanks, David! The work assignment is moving through the system and we should be all set to support the workshops and any AE requests that may come in from California, starting on Jan. 1.

Hi Michele and David,

I just received a meeting invite to answer question on GAO's entrance questions on Thursday, Dec. 11. If you have any updates on whether the letter went out to California with a list of remaining items that needed to be done/addressed, I would greatly appreciate it.

Thanks,
Lisa
